Council - 19 December 2018

Up to 45 minutes is allowed for questions from councillors.

*Explanations as to different levels of interest

(a) A member with a discloseable pecuniary interest (DPI) must declare the nature as well as the existence of any such interest and the agenda item(s) to which it relates must be stated. A member who declares a DPI in relation to any item must leave the meeting for that item (unless a relevant dispensation has been granted).

(b) A member with an other significant interest (OSI) under the local code of conduct relating to items on this agenda must declare the nature as well as the existence of any such interest and the agenda item(s) to which it relates must be stated. A member who declares an OSI in relation to any item will need to remove him/herself to the public gallery before the debate and not vote on that item (unless a relevant dispensation has been granted). However, prior to leaving, the member may address the meeting in the same way that a member of the public may do so.

(c) Members may make voluntary announcements of other interests which are not required to be disclosed under (a) and (b). These are announcements made for transparency reasons alone, such as:

- membership of outside bodies that have made representations on agenda items, or
- where a member knows a person involved, but does not have a close association with that person, or
- where an item would affect the well-being of a member, relative, close associate, employer, etc. but not his/her financial position.

Voluntary announcements do not prevent the member from participating or voting on the relevant item

Full Council – 19 December 2019

Councillor questions:

1. From Councillor Mrs Sacre to Councillor Hollingsbee, Deputy Leader and Cabinet Member for Communities

We are all well aware of the sad lack of pride in Folkestone, rubbish is scattered without thought and fly tipping is widespread, on the premise of prevention is better than cure I should like to give something back to our community to propel them into a state of well-being to regain awareness of themselves and others.

Outdoor gym equipment has been seen to have a very positive effect on communities if it is sited in the right place. How could you help me with this project?
