Name and description of project:

We aim to renew the worn-out play equipment in the infant play area and add new infant play equipment so the space is better used. This is part of a much wider initiative to increase the provision of play facilities in Harbour Ward.

DECISION:

To provide funding of £500 to the above project.

Reason for decision:

85% of 100 respondents in the local area said they would like to improve the infant play facilities on Jock's pitch

87% said we should expand the existing Jocks Pitch play area to include play items for 5-11 year olds

A play ground survey East Folkestone Together carried out found out that Harbour Ward has only 2 playgrounds whereas Folkestone East Ward has 6 Play facilities.

Declarations or disclosable pecuniary interest/any other significant interest:

None

The decision set out above was made by me.

Signed: *S. Wallace .*
