Name and address of applicant(s):

Cath Mison
16 Queen Street
Folkestone
Kent

Name and description of project:

Folkestone Trawler Race – Security Guards for the weekends event.

DECISION:

To provide funding of £164.00 to the above project.

Reason for decision:

The community need is for us to support our fisherman and keep our traditions going. By holding this event it reminds us that we have a working harbour and we should come down and support our fisherman and shop locally for fresh fish – if we don't use it we could lose it – which would be such a tragedy for our town – our history is steeped around the harbour area. This is a historic event that needs to be maintained, it represents us and our town.

Declarations or disclosable pecuniary interest/any other significant interest:

None

The decision set out above was made by me.
