56/58 The Old High Street  
Folkestone

**Name and description of project:**

Sandgate under Attack - Project Management, Travel, (not all of our memory sharers will live locally, and many will have to be visited more than once). Publicity and exhibition/presentation costs.

**DECISION:**

**To provide funding of £375 to the above project.**

---

**Reason for decision:**

**Community need:** Similar projects run by us in Margate, Ramsgate, Dover and Folkestone have produced a torrent of memory sharers eager to tell their tale. There is a very strong desire for our older citizens to be heard and taken note of. We do well to listen, the better a community understands where it comes from the better it can plan its future.

**Support:** The Sandgate Society, Sandgate Councillors Tim Prater and Gary Fuller have offered generous support as has Jan Holben by donating her collection of local recordings.

**Declarations or disclosable pecuniary interest/any other significant interest:**

None
