Name and description of project:

Replacement Path – There is a need to have a path and side gate re-concreted or laid with block paving. After taking out some pine trees it has left the path uneven and it needs replacing for safety reasons.

DECISION:

To provide funding of £1000 to the above project.

Reason for decision:

Due to taking out some pine trees that the neighbouring property had in the garden, we have been left with an uneven surface. The plan is to have it re-concreted or laying block paving from the gate to the side gate, in a straight line. There is already some block paving so it is something that could be continued.

Declarations or disclosable pecuniary interest/any other significant interest:

None

The decision set out above was made by me.
