

ID	Location	Flooded	Notes
1	N.Elham	1994 & 2000/01	Fluvial Flooding - Main River Nailbourne exceeded culvert capacity - Flooded properties
2	Water Farm Elham	2000/01	Sewer Flooding - Public foul sewer surcharged and flooded 1 property seriously
3	Elham (Water Cottage Duck St)	2000/01	Fluvial Flooding -Nailbourne Main River overtopped banks due to blocked grill - 14 properties affected (internal flooding) Hog Green
4	Ottinge	2000/01	Fluvial Flooding - Nailbourne & surrounding tributaries flooded as a result of a blocked culvert (too small)
5	Lyminge Cricket Grd	2000/01	Groundwater Flooding - Groundwater springs filling up cricket ground approx 600mm deep
6	Lyminge	2000/01	Fluvial Flooding - Nailbourne River overtopped banks - flooded gardens
7	Monks Horton - Kite Manor - Off Stone St	1997 & 2000/01	Surface Water Flooding - Known flooding on 2 occasions
8	Stanford	2000/01 & August 2007	Surface Water Flooding - Road flooded from pub, houses on the bank not affected
9	Stanford	2000/01 & August 2007	Fluvial Flooding - One house flooded (2000/01 & again during recent flash flood Aug 07)
10	Etchinhill (St Marys Drive)	2004-2007 August 2007	Surface Water Flooding - Small number of properties flooded - Internal flooding on several occasions (7 occasions in total)
11	Frogholt	1996& 2001	Surface Water Flooding - Gardens Only (No Properties) - Highway flooded due to restricted grill
12	Newington	1995	Surface Water Flooding - Some properties affected - Deep highway flooding - Occasional big events
13	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
14	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
15	Dolphins Rd Folkestone	Frequent	Highway Flooding - regular occurrence (affecting some properties)
16	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
17	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd

ID	Location	Flooded	Notes
18	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
19	Folkestone Harbour	11-Jun-97	Sewer Flooding - Surface water sewers overwhelmed during flash flooding - approximately 10 properties affected by internal flooding
20	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
21	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
22	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
23	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
24	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
25	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
26	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1 - Some areas now protected by FSA diverted under Park Farm Rd
27	Morehall Rec Folkestone	Aug-96	Fluvial Flooding - Large diverter chamber diverts excess flow into the Channel Tunnel Surface Relief Sewer
28	Cherry Garden Lane Folkestone	Frequent	Highway Flooding - regular occurrence (affecting some properties)
29	Folkestone	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
30	Cheriton	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
31	Enbrook Valley	2008	Fluvial Flooding - Blocked culvert resulting in property flooding

ID	Location	Flooded	Notes
32	Cheriton	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
33	Cheriton	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
34	Sandgate	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
35	Sandgate Esplanade	24 October 1999 & August 1992	Coastal Flooding - Wave Overtopping during major storm events - Prior to Coast Protection Scheme (2004)
36	Horn Street (Craythorne CI)	Aug-96	Surface Water Flooding - Some properties flooded due to runoff - New FSA installed 2000
37	Seabrook	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
38	Seabrook	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
39	Lower Horn Street	1995	Groundwater Flooding - Some highway flooding (not during a fluvial event) - possibly Groundwater
40	Seabrook	Aug-96	Fluvial Flooding - 1 in 500 year flood event - Properties affected by flooding listed in Bullens Report & SDC Report # 32/093 Rep 01 Rev 1
41	Hythe - Mill Road & Stn Rd	Aug-96	Surface Water Flooding - Stn Rd Culvert blocked, properties flooded in Mill Road
42	Albert Road, Hythe	24 October 1999 & 1990	Coastal Flooding - Wave Overtopping during major storm events (approximate extents) - Prior to Coast Protection Scheme (2004)
43	West Hythe - Brockhill Stream	Before & Including 1996	Fluvial Flooding - Flooded before defence improvements in 2000
44	West Hythe - Brockhill Stream	Before & Inc 1996	Fluvial Flooding - Flooded before defence improvements in 2000
45	West Hythe - Royal Military Canal (RMC)	2001	Fluvial Flooding - Properties flooded (Approximately) RMC overtopped bank flooded garages/conservatories & some thresholds
46	West Hythe - Botolph's Bridge	2001	Fluvial Flooding - Approximate extent of flooding in 2001 - 4 properties flooded to 150mm due to canal cut overtopping

ID	Location	Flooded	Notes
47	Redoubt West Hythe - Beach Estate	Jan-90	Fluvial Flooding - Canal Cut flooded (EA Notes: 07315D610FEO_JAN1990_0001 / 07315D610_JAN1990_Canal Cut_Hy)
48	Dymchurch - Marine Avenue	Either 1995 or 1997	Fluvial Flooding - From willop Sewer - approximate extents flooded in 95/97
49	Dymchurch - Wraightsfield Av	1990	Coastal Flooding - Overtopping, Damage to Seawall - prior to development in area. Unknown if properties affected
50	Dymchurch - Centre	2000	Fluvial Flooding - Tide locked river backed up and flooded near village hall (flooded properties in Orgarswick Avenue)
51	Newchurch	Pre-1979	Surface Water Flooding - EA Section 24 (5) Land Drainage Survey 1973-1979 Map #151
52	St Marys Bay - Dunstall Lane	2000/01	Fluvial Flooding - Approximate properties flooded
53	St Marys Bay	1990	Coastal Flooding - Wave Overtopping - Water on road pushed landward into some properties causing some internal flooding during large storm event
54	Littlestone - Seafront nr tower	1990s	Coastal Flooding - Wave Overtopping - No properties flooded but a large quantity of water during a large storm event
55	Littlestone	2000/01	Fluvial Flooding - Blocked channel has flooded properties in the past due to outfall becoming tide locked
56	Greatstone - Meeham Rd	2000	Surface Water Flooding - Approximate flood extents due to overwhelmed pumping station - New Romney Sewage Arm - Internal property flooding
57	New Romney - Sewage Plant	2000/01	Surface Water Flooding - Behind Queen's Rd, sewage plant backed up and flooded basin type field
58	New Romney - Herringhang Field	29/12/1999	Surface Water Flooding - Flooded Herringhang Field
