SUPPLEMENTARY WITNESS STATEMENT OF CLIVE SATCHELL

I, CLIVE SATCHELL of Folkestone and Hythe District Council, Civic Centre, Castle Hill Avenue, Folkestone, Kent, CT20 2QY will say as follows-

1. On 26 July 2022 myself and the Planning Enforcement Team Manager, Lisette Patching, visited the land and I noted that vegetation had been cut back and that two vehicles had been parked behind the gates to the property. It was also noted that two panels, which had been removed from a section of fence, had been reinstalled. It appeared that no persons were present on the land during our visit. Photographs I took during the visit of 26 July 2022 are exhibited as **CS/01a**. Whilst this activity is not eloquent of a breach of the existing injunction, it seems to me to indicate an appetite on behalf of the occupiers to undertake work in the future as what has been done could be seen as preparatory works for further unauthorised development in the near future. Accordingly, the extent of the risk of future unauthorised activity has risen.

I believe that the facts stated in this witness statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.
