1.0 Introduction

- 1.1 The rules about the way in which Housing Benefit entitlement is calculated are detailed within the Housing Benefit Regulations 2006 and subsequent amending legislation.
- 1.2 These regulations state that a weekly disregard of £10.00 applies to the following income:
- i) War Disablement Pensions
 - (ii) War Widow's Pensions 8.
- 1.3 The Social Security Administration Act 1992 also allows Councils the discretion to disregard up to 100% of those incomes in the calculation of Housing Benefit entitlement (referred to as the "local scheme").

2.0 Background

- 2.1 Where a customer who is eligible for Housing Benefit and is also in receipt of Income Support, Jobseeker's Allowance (Income Based), Employment and Support Allowance (Income Related), Universal Credit or Pension Credit (Guaranteed Credit), they are automatically "passported" to full Housing Benefit entitlement. Claims that are not "passported" are subject to a means test and these are affected by the decision to fully disregard certain war pensions.
- 2.2 Generally, the Council is fully reimbursed by the Department for Work and Pensions (DWP) for payments of Housing Benefit, and this is referred to as "subsidy". Subsidy payments are demand-led and are not subject to a fixed sum grant.
- 2.3 However, payments of Housing Benefit made under the local scheme are subject to different rules. Providing that expenditure does not exceed 0.2% of the overall subsidy claimed, 75% of payments made under the local scheme are subsidised by the DWP, with the Council meeting the remaining 25%.

4.0 Purpose

4.1 The purpose of this policy is to specify how Folkestone & Hythe District Council will operate the Local Scheme. The 100% disregard of funds received as War Widows (Widowers)/War Disablement Scheme and the Armed Forces Compensation Scheme awards is intended to:

i) Ensure that members of the armed forces who have been disabled during service or the widows, widowers or surviving civil partner of those who died in the service of their country, should not be penalised by having their pensions or payments made in relation to their service, taken into account in the calculation of their Housing Benefit entitlement.

ii) Ensure income paid via these funding streams is treated consistently when assessing entitlement to Housing Benefit

iii) Ensure continued alignment between treatment of these incomes under the Housing Benefit scheme set by the Department for Works and Pensions, and the Council's Council Tax Reduction scheme.

5.0 Claiming Modified Scheme Support

5.1 A claim for does not need to be made by an applicant. The disregard will be applied automatically at the point of processing a claim's entitlement.

6.0 Period of disregard

6.1 The disregard will apply as long as the policy is in place and until the claim or relevant income ceases.
