Dear Sir/Madam,

Polling District and Polling Places Review 2023

On 2nd October 2023 a review of all Polling Districts, Places and Stations in the Folkestone & Hythe Constituency commenced.

I am writing to seek any comments you may have about the polling district and polling station arrangements in place now and request any suggestions of alternative proposals that you may wish to put forward.

Submissions must be received (in writing) to me no later than Friday, 17 November 2023. Submissions can be made via our online form at <https://www.folkestone-hythe.gov.uk/elections/polling-review-2023>, via email to elections@folkestone-hythe.gov.uk or by post to Democratic Services and Elections Lead Specialist, Folkestone & Hythe District Council, Castle Hill Avenue, Folkestone, Kent CT20 2QY.

I have also enclosed a list of the current polling stations and agreed timetable for your information. It is worth noting when making proposals or comments that the Electoral Commission guidance allows a maximum of 2500 electors (excluding postal voters) per polling station. Postal voters make up 20% of the total electorate.

Documents relating to this review can be found at the Civic Centre offices or online at the above website address. If you require any further information or assistance, please do not hesitate to contact me.

Yours sincerely,

Paul Butler
DemocraticServices and Elections Lead Specialist
