Subject: Princes Parade Road Proposal

Reference: NATTRAN/SE/S247/3254

To Whom it May Concern,

I am writing to show my concern regarding the stopping up of Princes Parade in Hythe, Kent. What architectural mystery prevents the proposed development incorporating Princes Parade in the new scheme. A scheme which local people don't want could have the impact lessened by not closing Hythe's favourite road. To then destroy the wildlife habitat and a major factor in why people choose to move to Hythe by building a road alongside the Royal Military Canal is surely unacceptable.

Please, is it possible for the stopping up order and development planning application to be considered together so the Secretary of State gets an overall picture of local people's concerns.

Yours in hope,

David Clarey
