(WAITING RESTRICTIONS AND STREET PARKING PLACES)
EXPERIMENTAL ORDER 2025**

Statement of Reasons

Radnor Cliff, Sandgate

The reason for proceeding by way of an Experimental Traffic Regulation Order is to assess the effects of the prohibition of loading for a trial period before consideration is given to whether the provisions of this Order should be made permanent.

The reasons for the new loading restrictions are to facilitate the passage of traffic at the entrance to the Lower Sandgate Road West Car Park and avoid danger to persons or traffic.
