Statement of Reasons

Various Roads in Folkestone

This Traffic Order proposes to introduce permit parking controls in the following roads:

Ingles Road: Permit Holders Only

Christ Church Road (between Bouverie Road West and Ingles Road) and Manor Road (between Sandgate Road and Ingles Road): Permit Holders or 1 hour, no return in 2 hours.

The days and hours of the proposal are Monday – Sunday, 8am to 6pm.

New shared use parking spaces will be created in Christ Church Road. The proposals will help address the concerns of local people and should reduce the incidence of commuter/long-term parking, enabling residents to park closer to their homes along with making the junctions safer with yellow line 'corner protection' to prevent vehicles parking on the corners of junctions.

Local people and businesses are eligible to buy permits.

In developing these proposals, the council has sought to meet its responsibilities under section 122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians), and the provision of suitable and adequate parking facilities on the highway.
