

Folkestone & Hythe District Council

Corporate Plan 2025 -2030

Easy read version

We are the council and we help to run Folkestone, Hythe and the Romney Marsh area

We have a plan of how to do this from 2025 to 2030

We listened to what people told us

We want to make life better for everyone

We want people to be happy and healthy

We want everyone to have a good home

We want more jobs and training

We want to protect nature and the planet

We want better transport and clean streets

We will work with others to do all these things

We will keep checking our progress

We will update our plan in the future

We need your help to make this plan happen!
