**THE KENT COUNTY COUNCIL (VARIOUS ROADS, FOLKESTONE AND HYTHE)
(WAITING RESTRICTIONS AND STREET PARKING PLACES)
(CONSOLIDATION) ORDER 2025 (AMENDMENT 16) ORDER 2026**

Statement of Reasons

The Order will revise parking and waiting restrictions in the following road in Folkestone:

- Radnor Cliff
- Radnor Cliff Crescent

The proposal seeks to amend the current permit holders only parking and limited waiting as follows

The proposal seeks to amend the current permit holders parking and limited waiting to the following:

Radnor Cliff Crescent: From the “lift bridge”, to the junction with Radnor Cliff – 1st April to 30th September – Permit holders only 8am – 8pm.

Radnor Cliff: 1st April to 30th September – Permit holders only 8am – 8pm.

The proposal also includes At Any Time restrictions in Radnor Cliff Crescent outside Wells House and in Radnor Cliff to also include loading restrictions to create passing places and to protect access to a number of driveways

The proposals will help address the concerns of local people during the summer months, and should help the flow of traffic to Lower Sandgate Road West car park.

In developing this proposal, the council has sought to meet its responsibilities under section 122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians), and the provision of suitable and adequate parking facilities on the highway.
