

Disabled Adaptations Policy (Easy Read)

What this policy is about

- Explains how the Council adapts homes for disabled tenants
- Helps people live safely and independently

Our aim

- To provide suitable and practical adaptations
- To use resources fairly and effectively

Types of adaptations

- Minor adaptations completed quickly
- Major adaptations take longer and are prioritised

How decisions are made

- Each case is assessed individually. We consider cost, suitability, and long-term needs

Other options

- Moving to a more suitable property may be considered
- Funding or alternative support may be available

Communication

- We will keep you informed about progress, you can ask questions or raise concerns

Your safety

- Adaptations are designed to improve safety and access. Your needs are central to decisions
