

# Lift Safety Policy (Easy Read)

## **What this policy is about**

- Explains how the Council keeps lifts safe
- Includes passenger lifts, stair lifts, and hoists

## **Why this is important**

- Lifts must be safe to use
- Poor maintenance can cause serious harm

## **What the Council does**

- Carries out regular inspections and servicing
- Fixes faults quickly
- Keeps records of all checks

## **Legal duties**

- Follows health and safety law
- Meets inspection requirements such as LOLER

## **Your role**

- Allow access for inspections and repairs
- Report faults or problems

## **Safety**

- Your safety is a priority
- Emergency support is available if lifts fail
