

Smart Export Guarantee Policy (Easy Read)

What this policy is about

- This policy explains how the Council manages the SEG export tariff.
- It explains how residents benefit from free electricity generated by Solar Panels.
- It explains how the Council receives financial payments via the SEG export tariff.

Why this is important

- To maintain accurate financial records.
- To invest in service and maintenance.

What the Council will do

- Check, monitor and record export tariff payments.
- Follow legislation and guidance.

Your role

- Allow access for checks.
- No need to contact your electricity supplier.

Your safety

- Your safety is our priority.
- We act to keep people safe.
