I object to the closure of this road for the following reasons

- A. There is no need for closure as houses can be built behind the existing road.
- B. The road closure will cause traffic jams on the already busy Seabrook Road.
- C. There is Seabrook School on Seabrook Road and closure of Princes Parade will cause a hazard to the primary school children.
- D. Princes Parade has historic use by the people of Hythe and surrounding areas for many activities.
- E. Moving part of the road to beside the Royal Military Canal will impact on the serenity and beauty of that part of the canal. It is an historic treasure, to be protected.

Yours sincerely,

Yvonne Turner
