I wish to lodge my objection to the proposed Stopping up Order of Princes Parade, Seabrook as I do not believe the proposed development necessitates the moving of the existing road as any new buildings could be served by the existing road.

I am also concerned about the impact this would have on the Royal Military Canal as an historic environment as well as the effect of pollution on wildlife and fish.

As a regular user of this road I would be forced to use the A259 Seabrook Road, along with many others creating a substantial increase in traffic on an already busy road.

Yours faithfully

Cynthia Tripp
