Shepway Core Strategy process for considering Interim Conclusions: Updated August 2012

A. Completed Schedule of proposed changes to Shepway Core Strategy (from May 2012 Hearings) published on-line. Request suspension of the Examination.

B. Reasonable alternatives to be included in further Sustainability Appraisal documentation, including consideration of the policy alternatives for strategic sites and broad locations for development presented within the Core Strategy Preferred Options and Submission documents. This will include the detailed consideration and confirmation of the alternative options for policy SS8 (Folkestone Racecourse) and policy SS1 (including the Strategic Corridor) tested as part of the Sustainability Appraisal.

C. Testing of policy alternatives against the Sustainability Appraisal Objectives and plan aims.

D. Produce consolidated schedule of changes based on:
   - Appropriate suggested changes to July 2011 Core Strategy dated January 2012 (documents A117 and A118)
   - Schedule of proposed changes to Shepway Core Strategy (from May 2012 Hearings)
   - Further Sustainability Appraisal documentation/testing
   - Further specific evidence produced as the necessity arises

E. Final verification of Sustainability Appraisal to ensure compliance with SEA Directive 2001/42/EC

F. Report consolidated schedule of changes and Sustainability Appraisal to Cabinet.

G. 6 week full public participation process for final consolidated schedule of changes, Sustainability Appraisal, and any further relevant documentation.

H. Submission of Sustainability Appraisal, consolidated final schedule of changes any further relevant documentation and associated public representations to the Planning Inspectorate.
