Dear Mr Hetherington

Re: Shepway Core Strategy Examination: Proposed Modifications

Further to my letter dated 14th December 2012, please find enclosed the final set of Modifications 2012 documents for your consideration:
- Summary of the issues raised
- AMR 2012
- Errata note

I understand you have received the Proposed Modifications (plus supporting documents) and the public representations separately.

Although not highlighted in my 14th December letter, I hope you will accept the Errata document which is produced for the avoidance of doubt. It focuses on the limited presentational mistakes in the Modifications (and Technical Note) raised by the public, and cross-referencing clarifications in some of the original Core Strategy.

These new documents will be placed on our website at the earliest opportunity, and I can confirm all representations have been made publicly available (on the consultation portal at http://mylimehouse.shepway.gov.uk/portal).

If there is anything else you require, please let us know.

Yours sincerely
