Mr Michael Hetherington BSc (Hons) MA MRTPi, is the Inspector who has been appointed to carry out the Examination of the Core Strategy. The purpose of the Hearings is to assist him to determine the soundness of the Core Strategy.

I have been appointed as Programme Officer for this Examination and will deal with all procedural, administrative and programming matters. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. However, if you require a paper copy, please let me know.
Please check the Core Strategy Public Examination page of the Shepway District Council website www.shepway.gov.uk/ldf, for up to date information.

Mr Michael Hetherington BSc (Hons) MA MRTP, is the Inspector who has been appointed to carry out the Examination of the Core Strategy. The purpose of the Hearings is to assist him to determine the soundness of the Core Strategy.

I have been appointed as Programme Officer for this Examination and will deal with all procedural, administrative and programming matters. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. However, if you require a paper copy, please let me know.
Please check the Core Strategy Public Examination page of the Shepway District Council website www.shepway.gov.uk/ldf, for up to date information.

Following submission of the Core Strategy Development Plan Document to the Planning Inspectorate on 31st January 2012, I am writing to notify you that the Public Hearings part of the Examination have been scheduled to commence on Wednesday, 2nd May 2012 at the Civic Centre, Folkestone and are expected to conclude by Friday 11th May.

Mr Michael Hetherington BSc (Hons) MA MRTPI, is the Inspector who has been appointed to carry out the Examination of the Core Strategy. The purpose of the Hearings is to assist him to determine the soundness of the Core Strategy.

I have been appointed as Programme Officer for this Examination and will deal with all procedural, administrative and programming matters. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. However, if you require a paper copy, please let me know.
Please check the Core Strategy Public Examination page of the Shepway District Council website www.shepway.gov.uk/ldf, for up to date information.

The detailed Hearings Programme will be forwarded to participants in due course and also placed on the website. For any other queries regarding the examination process or timetabling please feel free to contact me.

In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. However, if you require a paper copy, please let me know.
Please check the Core Strategy Public Examination page of the Shepway District Council website www.shepway.gov.uk/ldf, for up to date information.

Mr Michael Hetherington BSc (Hons) MA MRTPI, is the Inspector who has been appointed to carry out the Examination of the Core Strategy. The purpose of the Hearings is to assist him to determine the soundness of the Core Strategy.

I have been appointed as Programme Officer for this Examination and will deal with all procedural, administrative and programming matters. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ’s).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.

The Planning Inspectorate has produced a booklet ‘Local Development Frameworks – Examining Development Plan Documents: Procedure Guidance’. Copies of this document are available to view or download on the Planning Inspectorate web site or from the Schedule of Documents accessed from the Core Strategy Public Examination web page on the Shepway District Council site. However, if you require a paper copy, please let me know.
Please check the Core Strategy Public Examination page of the Shepway District Council website www.shepway.gov.uk/ldf, for up to date information.

Dear <Representor>

Shepway Local Development Framework:
Core Strategy Development Plan Document – Public Hearings

Following submission of the Core Strategy Development Plan Document to the Planning Inspectorate on 31st January 2012, I am writing to notify you that the Public Hearings part of the Examination have been scheduled to commence on Wednesday, 2nd May 2012 at the Civic Centre, Folkestone and are expected to conclude by Friday 11th May.

Mr Michael Hetherington BSc (Hons) MA MRPI, is the Inspector who has been appointed to carry out the Examination of the Core Strategy. The purpose of the Hearings is to assist him to determine the soundness of the Core Strategy.

I have been appointed as Programme Officer for this Examination and will deal with all procedural, administrative and programming matters. The Inspector will not be holding a Pre-Hearing Meeting and has issued a Guidance Note (see attached) detailing the hearing procedures. In addition I have attached the Inspectors Matters, Issues and Questions (MIQ's).

People who made representations on the Core Strategy Proposed Submission Document had the opportunity to indicate on their representation form whether they wished to participate in the Hearings. However I am taking this opportunity to request that all Representors reconfirm their intention, preferably by email, as circumstances may have changed (see also Point 6 of Inspector’s Guidance Note). It is essential for the programming of the Hearings that I know by 31st March 2012 whether you intend to participate. Please note that the Hearings are open to members of the public to observe so you also have the option to attend as an observer only (see Point 12 of Inspector’s Guidance Note). If you have any special requirements i.e. a wheelchair user, please let me know.

All attendees, whether Participants or Observers, must arrive in good time for the start of the Hearing sessions as you will need to be registered at reception and issued with a security pass before proceeding to the Boulogne Meeting Room on the 1st floor of the Civic Centre. Hearings will commence punctually at 10 am.
