To exclude the public for the following items of business on the grounds that it is likely to disclose exempt information as defined in paragraph 7 of Part 1 of Schedule 12A to the Local Government Act 1972:

Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

6. Deteriorating Condition of a Premises

Report DCL/16/13 considers the appropriate action to be taken regarding the severe deterioration of a property within the Folkestone Leas and Bayle Conservation Area, which is a Grade II Listed Building. This report recommends that a Section 215 Notice be served, with delegated authority given to the Head of Planning to finalise the wording of the notice.

*Explanations as to different levels of interest

(a) A member with a disclosable pecuniary interest (DPI) must declare the nature as well as the existence of any such interest and the agenda item(s) to which it relates must be stated. A member who declares a DPI in relation to any item must leave the meeting for that item (unless a relevant dispensation has been granted).

(b) A member with an other significant interest (OSI) under the local code of conduct relating to items on this agenda must declare the nature as well as the existence of any such interest and the agenda item(s) to which it relates must be stated. A member who declares an OSI in relation to any item will need to remove him/herself to the public gallery before the debate and not vote on that item (unless a relevant dispensation has been granted). However, prior to leaving, the member may address the meeting in the same way that a member of the public may do so.

(c) Members may make voluntary announcements of other interests which are not required to be disclosed under (a) and (b). These are announcements made for transparency reasons alone, such as:

- membership of outside bodies that have made representations on agenda items, or
- where a member knows a person involved, but does not have a close association with that person, or
- where an item would affect the well-being of a member, relative, close associate, employer, etc. but not his/her financial position.

Voluntary announcements do not prevent the member from participating or voting on the relevant item
