Outline planning application for the redevelopment of the former Smiths Medical site for up to 97 dwellings (Class C3), up to 153m² of offices (Class B1) and up to a 66 bed care home (Class C2) with all matters reserved for future consideration except access.

8. **Planning contributions secured through Section 106 Agreements and Community Infrastructure Levy (Pages 129 - 162)**

Some planning decisions are subject to legal agreements requiring developers to make financial contributions to the Council and Kent County Council (KCC) to provide for on and off site infrastructure to mitigate the impact of the development, under Section 106 of the Town and Country Planning Act 1990 (as amended).

Some developments for which planning permission is granted are also subject to the Community Infrastructure Levy (CIL). Although separate to the S106 process, the purpose of CIL payments is also to ensure developers make an appropriate financial contribution to mitigate the impact of the development on local infrastructure.

The adequacy and effectiveness of the procedures and controls relating to S106 agreements was first reviewed by the East Kent Audit Partnership in 2014 with a follow up review in 2018/19. The original report recommended that the position regarding planning obligations that involve financial contributions should be reported to members on an annual basis. Following the introduction of CIL in 2016 the report now also includes CIL contributions.

9. **Unauthorised change of use of Land from Touring Caravan and Camping Site to use as a Residential Caravan Site and the siting of Residential Caravans and Campervans at Elham Valley Holiday Park (ALSO KNOWN AS GOLDPARK LEISURE CARAVAN AND CAMPING SITE). (Pages 163 - 178)**

This report considers the appropriate action to be taken regarding the use of the camping and touring caravan site at Elham Valley Holiday Park (also known as Goldpark Leisure Caravan and Camping Site) for the siting of residential caravans and campervans. Planning permission has been refused, and an appeal dismissed, for a residential static caravan on the site and a recent application for a Certificate of Lawful Development for the siting of static caravans for permanent residential accommodation has also been refused. The report recommends that an Enforcement Notice be served to require the cessation of the residential use and the removal of the caravans, vehicles and items associated with the residential use of the land.

10. **Unauthorised change of use of land from Agricultural to use as a Residential Caravan Site and the Siting of Residential Caravans; and unauthorised laying of hardsurfacing at Land Adjoining Martinfield Cottage, Lydd Road, Old Romney (Pages 179 - 208)**

This report considers the appropriate action to be taken regarding the change of use of the land and operations that have taken place on the field adjacent to Martinfield Cottage Old Romney. A planning application was submitted for the residential use of the land for four gypsy families but the necessary information required to validate the application was not supplied. As such planning permission has not been granted for the use of the land or any of the operations. Serving of an Enforcement Notice is recommended.

11. **Supplementary Information (Pages 209 - 212)**
