Key decision:	No
Date decision taken:	23 July 2018

This report considers the objections received in respect of the proposed Traffic Regulation Order (TRO) for a controlled parking zone (CPZ) in East Folkestone.

DECISION:

a) **To receive and note Report C/18/24.**
b) **Not to uphold the objections to the TRO.**

d) **That parking in the new zone and adjacent roads be reviewed 12 months after implementation, or as soon as possible, in light of the comments received.**

Reasons for decision:
The Cabinet Member for Transport and Commercial is asked to agree the recommendations set out below because:

a) The majority of residents within the proposed zone have indicated they do experience parking difficulties and are in favour of parking controls.
