Subject: Rhodes Minnis Village Hall

Executive/non-executive decision: Non-executive

Name and description of project:

Refurbishment of Village Hall Kitchen – new kitchen cupboard doors, work surface, drawers, sinks, taps, blinds, tiles and paint. The Village hall was built over 30 years ago and the original kitchen is still in place. The grant will be spent on replacing the cupboard doors, sinks, taps, drawers, work surface, tiling window blinds and painting. The actual cabinets are in reasonably good order and will not be replaced.

DECISION:

To provide funding of £250 to the above project.

Reason for decision:

Over the years, the cupboard doors and drawers have started to fail and are now very shabby. The drawers have old runners which stick and are difficult to open and close. The tiling has started to fall off the walls. Some tiles have been re-glued to the wall but some are cracked and broken. The work surface is starting to show its age and it is very difficult to get the old venetian blinds to look clean and they have been damaged by the sun. Overall the kitchen is due for a refit. We will not be replacing the cooker, microwave or fridge freezer, which are all in good condition.

Declarations or disclosable pecuniary interest/any other significant interest:

None
