**Name and description of project:**

Procurement of 5 replica muskets and storage box for display inside Martello Tower 24.

**DECISION:**

**To provide funding of £1070 to the above project.**

---

**Reason for decision:**

Community support for the Tower is considerable judging by the number of visitors we have had – almost 10,000 since July 2017. We have also hosted bespoke visits from local history societies, the Royal Engineers and a group from Salbris in France. The Tower attracts people with an interest in the Napoleonic period.

**Declarations or disclosable pecuniary interest/any other significant interest:**

Councillor Meyers declared a voluntary announcement of other significant interests in that his wife is a Trustee.
