**Name and description of project:**

To support our free-of-charge Children's Sunday, building on the success of July 2018, this will draw on children and families from across Romney Marsh to enjoy new experiences, nurture new skills and well-being. Responding to the lack of opportunity locally, designed around the community and its children, this will be a day of art, crafts, drama and performance which the children can do at home, in play, at school with friends and family another time.

**DECISION:**

**To provide funding of £500 to the above project.**

---

**Reason for decision:**

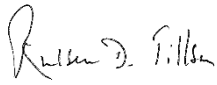

Aligning with KCC's Corporate Plan, JAM is investing in the social, economic and cultural development of Romney Marsh. Recognising this we have joined New Romney's Coastal Community Team, Shepway Destination Planning Committee and Romney Marsh Partnership.

**Declarations or disclosable pecuniary interest/any other significant interest:**

None
