All Saints' Church
The Galleon
1 High Street
Lydd

Name and description of project:

Organ Overhaul – All Saints' organ is of historic interest. It was built in the early 1880s and is a fine example of a 'Father Willis' organ. The organ is in need of a complete overhaul. The regular tuner, David Wintle, will undertake the work.

DECISION:

To provide funding of £318 to the above project.

Reason for decision:

At present the organ cannot be used for public performances with any reliability. It can be coaxed into using at services at the moment. There are regular concerts throughout the year where the organ could be used to good effect.

Declarations or disclosable pecuniary interest/any other significant interest:

None
