Tidy the Stade Area – To provide a skip for The Stade Area for a limited time period. Residents will be advised that the skip is being provided for their use. It will enable them to clear any rubbish and unwanted items from the vicinity. To provide funding of £230 to the above project.

Reason for decision:

This issue has been discussed at HWRA meetings in conjunction with the Community Safety Officer who has highlighted the benefits seen where a skip has been provided in other areas.
