Everywhere Means Something to Someone – the people’s guidebook to the Romney Marsh. Printed publicity matter to spread the word about the opportunity for local people to participate in the making of EMSTS Romney Marsh Guidebook.

DECISION:

To provide funding of £275 to the above project.

Reason for decision:

Strange Cargo is very aware of the need for this project because of the thorough research that has been done to prepare to create this new artwork. Strange Cargo has learned that the Romney Marsh would benefit from the guidebook being created, as it would provide the wider public with an information resource that could open up the region more fully to both local residents and visitors. Local organisations including JAM, the Fifth Continent, service providers and councillors and council

officers have all expressed support for the project. Also organisations such as Magnox and Little Cheyne Wind Farm have pledged support.

Declarations or disclosable pecuniary interest/any other significant interest:

None.
