Date decision taken: 28 February 2020

Name and description of project:

Cheriton Shop refresh –

Improve the visual appeal of the South Kent Mind Cheriton charity shop through replacing the plastic signage with our old name and brand with a new South Kent Mind signwritten front and some vinyl window graphics.

DECISION:

To provide funding of £460 to the above project.

Reason for decision:

Our Cheriton shop is not just a successful trading outlet (which it is), but it also acts as a community hub for us enabling a contact point for people with mental health challenges to know they can come and receive information to help them face their challenge. The shop is looking tired and a facelift could help improve the perception of us on the high street, and of the high street itself.

Declarations or disclosable pecuniary interest/any other significant interest:

None

The decision set out above was made by me.
