SUBJECT: District, Parish and Town Council Elections – Kent scale of election fees

Summary: This report sets out changes to the Kent scale of election fees of Folkestone & Hythe's Returning Officer to undertake the arrangements for managing and conducting district, parish and town council elections.

Due to the coronavirus pandemic all elections have been suspended for this current financial year (2020-2021) in accordance with The Local Government and Police and Crime Commissioner (Coronavirus) (Postponement of Elections and Referendums) (England and Wales) Regulations 2020.

In 2021 a new scale of fees will be submitted to Cabinet for the 2021-2022 financial year. This will be used for any election taking place on or after Thursday 6th May 2021.

Reasons for recommendations:

The scale of fees enables a fair and reasonable recharge to be made by Folkestone & Hythe District Council to town and parish councils for their elections.

Recommendations:

1. To receive and note report C/20/05.
2. To adopt the scale of fees for 2020/21.

1. BACKGROUND

- 1.1 For a district election (including by-elections), Section 36 (4) of the Representation of the People Act 1983 states that the council may set a maximum scale of charges for the returning officer to use. The legislation states that a returning officer's expenses for conducting an election shall be paid by the council but if a scale is set, the expenses shall not exceed those laid down in the scale.
- 1.2 For parish/town council elections, Section 36 (5) states that the council may similarly set a maximum scale of charges for the Returning Officer to use, which the district council is responsible for paying, but which shall be repaid to the district council by the parish council for which the election is held, if the district council so requires it to be paid. It is the policy of this council that parish councils are required to pay for their own elections.
- 1.3 In Kent, the costs of conducting district, borough, town and parish elections are applied through the Kent Scale of Fees, which since 1998 has largely mirrored the National Scale.
- 1.4 Each year the Kent Association of Electoral Registration Officers and their staff (KAEROS) submit the Kent Scale to the Joint Kent Chiefs (JKC) for approval. This scale is then adopted by all of the 13 local authorities in Kent as the maximum amounts for returning officers to charge for conducting local elections, a neighbourhood planning referendum and parish polls in Kent.
- 1.5 A variant of the scheme is also adopted by the County Council with amendments for deputy returning officers to manage and conduct elections on the county's behalf.
- 1.6 Cabinet agreed at its meeting on 23 March 2016 to:
 - 1.6.1 Automatically adopt annually revised versions of the Kent scale of fees and charges in line with the NJC pay award;
 - 1.6.2 agree the revised Kent scale of fees and charges takes effect on 01 April of each year; and
 - 1.6.3 instruct officers to submit a report to Cabinet, as soon as possible after any pay award that changes the Kent scale of fees and charges.

2. THE KENT SCALE OF ELECTION FEES

- 2.1 The Kent scale of election fees is revised each year in accordance with the annual National Joint Council APT & C pay award; the current fees will be revised in line with the NJC local government pay award for 2020/21 which averages a 2.5% increase across all spinal points.

- 2.2 With the exception of polling staff, their travel costs and official poll card delivery costs, the scale uses a “per elector” charge on which to base its charges.
- 2.3 Poll cards are only a statutory requirement at national elections, referendums and district elections.
- 2.4 Poll cards at parish elections are only sent out if the parish or town council so require by way of notification to the Returning Officer not later than noon on the nineteenth day before an election. However, if the poll is combined, an official poll card must be sent. Part of the combined costs may be recovered from the parish or town council.
- 2.5 Without adopting a scale of election fees the Council will be obliged to pay the Returning Officer’s expenses without setting what it considers a reasonable scale of expenses applicable to district, town and parish elections in Folkestone & Hythe. In addition, the scale does provide some indication to parish and town councils of the likely costs they will be liable to incur if there are contested elections in their area.
- 2.6 In the interests of transparency the Kent scale of fees (which represents the maximum) is published on the Folkestone & Hythe District Council website.

3. RISK MANAGEMENT ISSUES

3.1 There perceived risks are as follows:
