Report number **C/20/66** 

To: Cabinet

Date: 20 January 2021 Status: Key Decision

Head of Service: Charlotte Spendley, Director of Corporate Services

Cabinet Member: Councillor David Monk – Leader and Portfolio

**Holder for Finance** 

SUBJECT: DRAFT GENERAL FUND BUDGET 2021/22

**SUMMARY:** This report sets out the Council's Draft General Fund budget for 2021/22.

#### REASONS FOR RECOMMENDATIONS:

Cabinet is asked to agree the recommendations set out below because they form part of the budget-setting process which will culminate in Full Council approving the budget and council tax for 2021/22 on 24 February 2021, in accordance with the Local Government Finance Act 1992.

#### **RECOMMENDATIONS:**

- 1. To receive and note report C/20/66.
- 2. To approve the budget estimates, as detailed in the report, as the basis for preparing the final 2021/22 budget and council tax recommendations for approval by Full Council in February 2021.

## 1. INTRODUCTION AND BACKGROUND

- 1.1 Council approved the Medium Term Financial Strategy 2021/22 to 2024/25 (MTFS) on 25 November 2020 and Cabinet agreed the Budget Strategy for 2021/22 on 9 December 2020. These reports considered the council's forecast budget position for 2021/22 from a strategic perspective. This report now sets out the detail for the draft General Fund budget, prior to Full Council approving the final budget proposals and the level of council tax at its meeting on 24 February 2021.
- 1.2 The budget proposals in this report been prepared assuming a 2.0% council tax increase in 2021/22. The final decision will not be confirmed until 24 February 2021. In addition, the following remain to be finalised:
  - the forecast for council tax and net business rates income.
  - the council tax base position.
  - this council's share of Collection Fund balances.
  - the Local Government Finance Settlement.

These items will be confirmed in the final budget report.

1.3 The MTFS identified that the Council faced a budget shortfall of £3.5m in 2021/22. The Corporate Leadership Team, Assistant Directors and Chief Officers have reviewed current budget allocations and savings proposals. Unavoidable budget growth of £296k was approved by Cabinet on 9 December. In addition the review of fees & charges and other identified savings resulted in savings of £1.1m being identified through the Budget Strategy process. The draft budget detailed in this report reflects the changes made as a result of these reviews.

#### 2. CONTEXT

2.1 The context and financial climate have previously been set out in the MTFS and Budget Strategy reports. The Council continues to face challenging times and tight financial restraint is expected to continue to be applied across the public sector well over the medium to longer term.

## Spending Round

2.1 The government had intended to hold a Spending Review in 2020, covering the period 2021/22 to 2023/24, delayed from 2019 due to political focus on the Transition from the EU. However, with the unprecedented uncertainty of Covid-19 and to prioritise the response to the pandemic, it was announced that a one-year Spending Review would be conducted covering the financial year 2021/22; and that plans for the Spending Review would be kept under review.

# <u>Local Government Finance Settlement</u>

2.2 The Provisional Local Government Finance Settlement is anticipated to follow the Spending Review announcement in mid-late December.

## 3. GENERAL FUND BUDGET 2021/22

- 3.1 The draft budget for 2021/22 is presented in detail at Appendix 1 compared to the original budget for 2020/21 and the outturn for 2019/20. It includes the Council's contribution to the Folkestone Parks and Pleasure Grounds Charity, the cost of which determines the special expense falling on Folkestone and Sandgate taxpayers.
- 3.2 The budget estimates are presented on a 'controllable' basis only; all inter service area recharges, capital charges and certain other technical accounting adjustments are excluded. Focus can therefore be on real changes in expenditure and income within a service area.
- 3.3 Table 1 below sets out a summary of the budget. Appendix 1 provides a more detailed breakdown of the budget across service areas.
