Name and description of project:

Gradually over the years the amount of matching crockery and cutlery has diminished, and we would like to make up to 100 matching sets to welcome our clients back after the Covid. Some things we just need to make up to 100 other items we need to completely buy. Having 100 covers will also save us having to hire crockery & cutlery for Christmas and other events.

DECISION:

To provide funding of £200 to the above project.

Reason for decision:

The over 55's across the Marsh will benefit from having a co-ordinated, comfortable ambiance when they return after lock-down.

Declarations or disclosable pecuniary interest/any other significant interest:

None

The decision set out above was made by me.

Signed:

A handwritten signature in grey ink that reads "T Mullard". The signature is written in a cursive style with a horizontal line underneath the name.
