To provide funding of £500 to the above project.

Reason for decision:

This event is now 25 years old and has continued to attract participation from both schools and members of the public since 1997. It is a significant community event for Folkestone and brings together participants and spectators from many backgrounds and walks of life. The route from the Fishmarket to The Leas Bandstand is lined with thousands of spectators who come along to enjoy this free event and to enjoy watching the parade.
