All Priorities	C12	Cyber Threat	Charlotte Spendley (Director of Corporate Services); Cllr Ray Field (Transformation, Digital, IT & Customer)	All ICT systems face cyber threats resulting in a number of possible outcomes including but not limited to - prolonged loss of access to FHDC network and key systems potential loss of data prolonged disruption to service delivery	The council has a number of layers of anti virus security both internally and externally (e.g. on the Kent Connects network). Education policies protection (own and shared) cloud system to be in support at all times. There are Acceptable Use and Information security policies in place which contain incident reporting procedures to provide guidance for staff. Staff have recently had security awareness training. The number of routes by which a virus could enter the network have been curtailed. Backups are held in the event of a loss of data which are tested annually. The council maintains its compliance with government standards which includes rigorous testing of security and if necessary monitoring remedial actions.	3	4	12	Treat / Tolerate	Maintain the current position of not permitting private devices on the corporate network when new equipment is rolled out for transformation project. A project aimed at reducing the amount of data held on the network is being developed. This will reduce the risk of virus infection spreading, raise the awareness of staff of the importance of good data management, reduce the effort required should restoration be necessary. Continue to monitor security systems and solutions and upgrade and renew as a matter of priority over other ICT works. Continue to educate users and carry out targeted email campaigns to ensure staff awareness remains high. Renew the council "Cyber Essentials" accreditation, and review if this needs to be enhanced. Continue to migrate systems to the cloud in line with the 2018 -2023 ICT Strategy where better security can be provided by vendors on a larger scale and also reduce the risk of cross contamination between key systems compared to when hosted in the local data centre. Review position regards insurance against cyber-attack remediation	Ongoing	3	2	6
All Priorities	C13	MTFS - Inflation	Charlotte Spendley (Director of Corporate Services)	Increasing CPI rate. Cost increases for existing contracts and changes to estimates of future projects. Inflation likely to drive higher wage demands that may exceed what has been allowed for in the MTFS. Consequence would be savings required to maintain service levels, and/or projects being delayed or deferred. Inflationary pressures may challenge scheme feasibility. Cost of living crisis may impact upon council recovery rates.	This is being kept under review by the finance/case management team for existing contracts and any significant increases will be highlighted to CLT.	3	3	9	Treat/ Tolerate	To ensure Value for Money in all contracts and projects and mitigate as far as possible to avoid entering into fluctuating value contracts. Inflation assumptions in MTFS to be updated.	Ongoing	3	3	9
