Changes to the Capital Programme, including updated Capital Prudential Indicators, are required to be submitted to full Council for consideration and approval.

## **REASONS FOR RECOMMENDATIONS:**

Cabinet is asked to agree the recommendations set out below because:

- a) It needs to be kept informed of the General Fund Capital Programme position and take appropriate action to deal with any variance from the approved budget.
- b) Proposed changes to the General Fund Capital Programme need to be considered before being submitted to full Council for approval.

## **RECOMMENDATIONS:**

- 1. To receive and note report C/22/35.
- 2. To seek full Council approval to update the General Fund Medium Term Capital Programme for the changes outlined in section 2 of the report.
- 3. To seek full Council approval to update the Capital Prudential Indicators outlined in section 3 of the report.

## 1. INTRODUCTION AND BACKGROUND

1.1 Full Council approved the current General Fund Medium Term Capital Programme (MTCP) for the rolling five year period to 31 March 2027 on 10 February 2022 (minute 57 refers). Since then, one new capital scheme has come forward for inclusion in the MTCP. Additionally, there are two schemes originally included as growth items as part of the Budget Strategy for 2022/23 approved by full Council on 10 February 2022 (minute 56 refers) that were not fully reflected in the MTCP. This report summarises the impact to the MTCP from these changes, including capital financing, and outlines amendments required to the Capital Prudential Indicators from this. Full Council approval is required for the changes proposed in the report.

## 2. CAPITAL PROGRAMME CHANGES

2.1 The proposed changes to the MTCP are summarised below:

## i) Play Area Improvements (new scheme)

| Proposed Budget               | £176,000        |
|-------------------------------|-----------------|
| Capital Funding = Grant       | £164,000        |
| Capital Funding = Section 106 | £12,000         |
| Total Capital Funding         | <u>£176,000</u> |

Scheme initially reported to Cabinet in the General Fund Capital Budget Monitoring 2021/22 report on 26 April 2022 (minute 101 refers). The Council has been awarded £164k from the Contain Outbreak Management Fund (COMF) to use towards community parks. The three sites identified as being strategically important play areas for improvement are;-

- Oak Drive Play Area, St Mary's Bay
- Morehall Recreation Ground, Folkestone (FPPG Charity)
- Cheriton Recreation Ground, Folkestone (£12k of Section 106 monies also to be applied towards this site)

The improvement works for these sites were commissioned earlier this year and have now been completed.

# ii) Website Content Management System (CMS) Replacement (growth item)

| Budget            |                  | £130,000 |
|-------------------|------------------|----------|
| Capital Funding = | Capital Receipts | £130,000 |

This scheme, to support the digital delivery of services, is to be funded under the Flexible Use of Capital Receipts guidance.

## iii) ICT Improvement Costs (growth item)

| Full Budget                  | £314,000 |
|------------------------------|----------|
| Budget already approved      | £192,000 |
| Additional budget to approve | £122,000 |

# Capital Funding = Capital Receipts £122,000

This scheme, to support the digital delivery of services through the migration of Revenues and Benefits system to an externally hosted service, is to be funded under the Flexible Use of Capital Receipts guidance.

2.2 Members are reminded that full Council approved the Flexible Use of Capital Receipts Strategy 2022/23 on 27 July 2022 (minute 24 refers), and both the Website CMS and ICT Improvement schemes were identified within it to be funded by capital receipts under the guidance.

## 3. UPDATE TO CAPITAL PRUDENTIAL INDICATORS 2022/23

- 3.1 As a result of the changes to the MTCP outlined above, the Chartered Institute of Public Finance and Accountancy's (CIPFA) Prudential Code requires full Council to approve revised prudential indicators for capital expenditure and financing. In addition to the changes to the MTCP outlined above, the prudential indicators will need to reflect the reprofiling of capital expenditure from 2021/22 to 2022/23, reported to Cabinet on 16 June 2022 in the General Fund Capital Programme Provisional Outturn 2021/22 report (minute 4 refers).
- 3.2 The revised estimate of capital expenditure planned for 2022/23 is summarised in table 1, below:
